## IMPORTS AND EU POLICY TEAM

OVS Note/2017/11

Date: 11 May 2017

## IMPORTS OF MEAT AND HONEY FROM BRAZIL

### Purpose

1. To advise you of the latest position in relation to imports of meat and honey from Brazil.

### Background

2. [OVS note 2017/07](#) issued on 22 March advised you to detain any consignments of honey from establishment SIF 3522.

3. At that time the four meat establishments in Brazil that had been implicated in the Brazilian Food Fraud had been delisted from TRACES.

4. Honey establishments are not listed on TRACES and as such cannot be delisted. However the European Commission has confirmed today that certification of honey from establishment SIF 3522 has been suspended.

### Action for OVSS

5. Please reject consignments of honey from establishment SIF 3522 and return to Brazil until further notice.
