Dear Colleagues,

This letter is addressed to Border Inspection Posts and Chief Port Health Officers in England only.

I am writing to let you know that Commission Implementing Decision (EU) 2019/64, which further amends the Annex to Commission Decision 2011/163/EU has been issued. The Decision applies from today and can be found here: <https://eur-lex.europa.eu/legal-content/EN/TXT/PDF/?uri=CELEX:32019D0064&from=EN>

The changes are as follows:

- Porcine, poultry, milk and eggs have been approved for Japan
- Aquaculture finfish has been approved for Albania.

It must be noted that this limits Albanian aquaculture to finfish only.
