Dear Colleague,

The Commission carried out an audit in Malta from 5th to 15th March 2019, to evaluate the food safety control systems in place governing the production and placing on the market of fishery products.

The following this, the Commission asks the Member States to pay special attention, during the routine controls, that fishery products originating from Malta are coming from approved establishments present in the official list as published by the Maltese Ministry of Agriculture at <https://agriculture.gov.mt/en/vrd/Documents/listApprvdEst/fisheryProducts.pdf>.

Please let me know if you have any questions.

Yours sincerely,

Simon Petty
