OVS NOTE 2022/23

31st October 2022

EXPORT HEALTH CERTIFICATES: UPDATED ACCEPTANCE DATE

Purpose

1. To advise that the date published on the [Health Certificate Archive](#) should be used when checking the acceptance date for previous versions of certificates.

Background

2. There is a discrepancy for some export health certificates between the dates on Gov.UK and the dates on the Health Certificate Archive for accepting previous versions of health certificates. When checking certificates at the point of import, the correct date is the one published on the [Health Certificate Archive](#).

Action for OVSS

3. To note the above information.
