OVS NOTE 2023/18

26 October 2023

ESTABLISHMENT LISTS: UPDATES TO THE HEALTH CERTIFICATE ARCHIVE

Purpose

1. To advise that the [Health Certificate Archive](#) has been updated with a new section on superseded establishment lists.

Background

2. Lists of establishments approved to export animal products to Great Britain are published in an excel document [here](#).
3. Information on delisted establishments may be found in the 'delisted' sheet of that document.
4. Information on the date an establishment was approved may be found in column I ('DateOfResquest') in the 'data' sheet.
5. However, where an establishment has been temporarily delisted and reappraised, it may be beneficial for PHAs to have access to superseded establishment lists to assess whether an establishment was approved on a particular date.
6. To that end, the [Health Certificate Archive](#) has now been updated with a new section on [establishment lists](#) which provides access to superseded lists arranged by year.

Action for OVSs

7. To note the above information.
