OVS NOTE 2024/49

13 November 2024

### Import of Organic Fertilisers and Soil Improvers

#### Purpose

1. To inform OVs about the publication of a new Import Information Note for Organic Fertilisers and Soil Improvers.

#### Background

2. In response to several requests for information about importing organic fertilisers and soil improvers to GB, especially products containing more than one type of derived product, the following Import Information Note has been published:
  - Import of Organic Fertilisers and Soil Improvers for direct sale ('ready-to-use')

#### Actions for OVSS

3. To note the content of this OVS note.
