CPHH

Please select a method to receive the results.

Results by email to the farmer (free of charge)

Results by post to the farmer (charged at £11.00)

Is the farmer a CHeCS health scheme member?

Yes If yes, which scheme?

No

I agree as a member of **BVDFree** all my BVD test results from July 1, 2016 and the results of all future samples tested for BVD can be uploaded to the BVDFree database and that the BVD test results and BVDFree herd status will be held in the BVDFree database and openly accessible through portals approved by BVDFree (eg Livestock Data Exchange Hub). I agree that samples may be retained on request by BVDFree for further testing and surveillance.

Note: From 01/11/16 BVDFree charge for upload BVD antigen tests: £0.25; BVD antibody tests: £0.50.

Declaration by keeper

These samples are intended to constitute an annual screening test for BVD for my herd.

Signature

Date

Declaration by vet

These samples are being submitted in accordance with the BVDFree England scheme after discussion with the farmer. I have taken the appropriate samples as indicated.

Date

Please select the test you require.

TC0123 BVD antibodies in Bulk Milk

TC0633 BVD antibodies in individual milk

FULL 12 DIGIT UK NUMBER	DATE OF BIRTH	VIAL NUMBERS	SAMPLE DATE	Lab ID No. OFFICIAL USE ONLY

Herd owners are advised to ensure the correct postage is paid. Failure to pay the correct postage WILL delay the arrival and processing of your samples.

(A large letter stamp is generally adequate for up to 10 samples packaged appropriately in a regular envelope. Please weigh your package at your local post office, and take guidance from Royal Mail staff if you are unsure.)

It is also advisable to write your herd number on the back of the postage envelope.

DATA PROTECTION

For information on how we handle personal data please go to www.gov.uk and search Animal and Plant Health Agency Personal Information Charter.

Please tick box if samples cannot be used for anonymous surveillance or test validation purposes

APHA is an Executive Agency of the Department for Environment, Food and Rural Affairs and also works on behalf of the Scottish Government, Welsh Government and Food Standards Agency to safeguard animal and plant health for the benefit of people, the environment and the economy.
