Case veterinary surgeon

I have taken these samples, as detailed in the sampling instructions, from the animals described below.

Signature

Date

N.B. Results will not be issued for statutory tests unless this form has been signed by the submitting veterinary surgeon

Samples MUST be received at the laboratory within 24 hours of being taken. Before taking samples, please inform APHA Starcross by telephone (03000 600020) or email Starcross@apha.gov.uk.

Please send samples by courier to ensure arrival within 24hrs of sampling, and before 16:00 hours. Address samples to: APHA Starcross, Staplake Mount, Starcross, EX6 8PE.

Please do not send samples to arrive on a weekend, and please do not send close to Bank Holidays without consulting the laboratory first. Please do not send samples with ice packs as it may affect Trichomonas viability.
